

SAMH Data Advisory Committee Meeting

July 17, 2019

via Teleconference and GoToMeeting

Data Advisory Committee Framework

Issue/Concern: Committee Membership

1. New Members

At the May 14th meeting, Sen-Yoni indicated that some submitting entity stakeholders are under-represented. Since submitting entities have different systems and different ways of doing business, they need to have adequate permanent membership representation. Committee members made the following recommendations:

- Add a data system representative of the State MH Treatment Facilities under DCF contract
Mark Granto will provide suggestion for the additional representative of state-contracted facilities – *Mark Granto suggested that Jonathan Hall should make the recommendation, and Jonathan recommended Scott Welcome with Wellpath. We are waiting for a response from Scott.*
- Have three EHR/EMR permanent representatives instead of one and three permanent provider representatives instead of one
Steve Lord will provide suggestions for the additional EHR/EMR and Provider representatives – *Tracey reached out to Steve for suggestions, and she is still waiting for a response.*

2. New Language

Sen-Yoni would like to add the following language in the framework:

- Unless otherwise indicated, due to frequent DCF travel restrictions and costs involved in face-to-face meetings, the committee will meet quarterly via GoToMeeting sessions.
- For consistency and anticipation, these GoToMeeting sessions will be held in August for First Quarter; in November for Second Quarter; in February for Third Quarter; and in May for Fourth Quarter

FASAMS Website Walkthrough

1. FASAMS Pamphlet 155-2 (version 13) and Reference Documents
2. Weekly Stakeholder Reports
3. Committee Meeting and Task Force Information
 - Q4/2018 Meeting Information Memoranda – Approved Enhancements for Q1/2019
 - Memorandum #2019-05-14-A
 - Memorandum #2019-05-14-B
 - Q1/2019 Meeting Information Materials
 - Action Steps and Timelines for Implementing Enhancements per Quarter
 - Enhancement Effective Dates per Quarter

Integration of Supplemental Data Sets into FASAMS

Q1/2019 Meeting Information Materials

Memorandum #2019-07-17-A

- Enhancement Purpose
- Business Requirements

Recommended FASAMS Enhancements for:

- Guidance 16 – FACT
- Guidance 32 – CAT

<https://www.myflfamilies.com/service-programs/samh/fasams/index.shtml>

Integration of Supplemental Data Sets into FASAMS

Q1/2019 Meeting Information Materials

Memorandum #2019-07-17-A

- Recommended FASAMS Enhancements for:
 - Template 4 – Behavioral Health Catalog of Care
 - Template 11 – ME Monthly Progress Report
 - Template 12 (Tab 2) – Provider Detail Report
 - Template 13 – Monthly Carry Forward Expenditures
 - Template 16 – Women’s Special Funding Report
 - Template 17 – FIT

Integration of Supplemental Data Sets into FASAMS

Q1/2019 Meeting Information Materials

Memorandum #2019-07-17-A

- Recommended FASAMS Enhancements for:
 - Template 21 – Care Coordination
 - Template 23 – Forensic Diversion
 - Template 25 – Forensic Multidisciplinary Team

Proposed Guidance 24 Documents

Q1/2019 Meeting Information Materials

- Proposed Timelines
- Proposed Guidance 24 Measures and Algorithms
- Proposed Template 11 for Guidance 24 Measures
