EDUCATION SUBCOMMITTEE MEETING

April 12, 2019

- REVEST is enrolling students for the upcoming first Mini Term of Summer 2195 from May 13 to June 28, 2019. So far around 1000 VESOL students are enrolled program wide in this current Mini Term 79.2 Spring 2193, and around 700 are going to be enrolled for the first Mini Term 80.1 for Summer Term 2195. Approximately 240 students have been scheduled to test in our Orientation Sessions throughout this month.

- The REVEST Program has been able to process 910 vocational registrations for the contract year. Previous Term Fall 2187 there were 464, Current Term Spring 2193 there are 385 and next term Summer 2195 we have 61registrations. We continue providing training and advisement to advisors to be updated about changing procedures and system issues.
- Faculty meetings were conducted with all REVEST instructors Feb. 21, 23, 2019. All CASAS testing procedures were reviewed with instructors to ensure a successful testing session. CASAS testing is taking place April 16 -26, 2019. We expect completion rates to remain steady. All REVEST students were trained to employ basic test-taking skills. Our Wolfson and Hialeah Centers are now using the ECASAS computer-based test. We are very proud of the hard work of our determined faculty and especially our students.
- REVEST is offering ESOL classes through scholarships at Community Education (Miami Dade College) Kendall and West Campus. This is allowing clients to be served by REVEST in a broader range of sites. Our current sites in Hialeah and Wolfson are also offering classes and we are ready to serve clients. REVEST is monitoring progress of our eight-week courses and our mini-term system. We are also monitoring students receiving scholarships in the Kendall and West Miami Dade College sites.
- REVEST staff attended the USCIS training on adult citizenship education on April 11, 2019. This event was highly informative and educational. We were able to network with other providers in the community, review all processes from applying to interviewing and obtain new instructional techniques. REVEST appreciates this important support offered by USCIS.
- In SAVES, current trimester (2018-2) ends on April 12, 2019. The total enrollment in the SAVES program during this trimester is 1,284 This number includes 432 new clients and 60 Success Management Academy (SMA) GED clients, 16 – 18 yrs. old.
- The next trimester (2018-3) will begin on April 15, 2019 and will end on July 31, 2019. We are asking every provider to refer clients to the SAVES program. We offer English for Speakers of Other Languages (ESOL), General Basic Education, and a wide range of vocational/technical programs.
- The SAVES program continues to serve clients at 14 schools where SAVES representatives are housed. Two other schools, George T. Baker Aviation and Technical College and Miami Lakes Educational Center and Technical College, accept SAVES vouchers for referred SAVES clients. Eligible SAVES clients can take advantage and the

opportunity to attend classes and complete a vocational program that can lead to a successful career.

- SAVES continues to work closely with the M-DCPS Office of Public Relations, the Marketing Department, and SAVES schools to reach out to the community and disseminate information about the SAVES program. SAVES is currently advertising via mail-out, newspaper, radio, career fairs, and opening of school meetings.
- SAVES schools administrators and SAVES school contacts will continue to engage in a machine marketing campaign to recruit students by participating in open-houses and distributing flyers to the public at supermarkets, churches, and community agencies. They will continue to present at students' orientation and go on the public announcement system to promote their schools and the SAVES program. Many schools participate in the Viernes Culturales that is held at Calle Ocho the last Friday of every month. The English Center frequently publishes articles in newspapers and social media to promote the SAVES program.
- The SAVES Success Management Academy (SMA) program for students 16-18 years old continues to be implemented in seven SAVES locations. New procedures were established for 2018-2019 school year to ensure more student/parent involvement, empowerment, and participation. These procedures are paying huge dividends with higher completion rates and students' participation in higher education and vocational classes.
- SAVES continues to collaborate with other agencies in the community to provide additional services to the clients.
