This task force has been active in the Orlando area for many years. The participants are representatives of various government agencies, private not-for-profit organizations and mutual assistance associations. An average of about thirty to thirty-five people attend these meetings on a regular basis. The purpose of these meetings is to increase awareness of the refugee populations, share best practices, build collaborations between agencies, spot trends in refugee populations, characteristics or movements, help create good communication among service providers; get informed about upcoming community events at the local, state and national level, request for proposals, training, workshops, conferences, discuss refugee service needs and explore solutions to those needs. Meeting participants receive updates, information and clarification on new federal and state regulations and policy changes pertaining to refugees.

If there are any issues that you would like to include in the agenda, please contact me at the above address.

I look forward to seeing you at the meeting!
