## *Message from the President and Executive Director*

*Increasing permanency for children in Florida's foster care system is what One Church One Child has been doing for more than two decades. Over the past year, One Church One Child has continued to address the crisis of minority children waiting in foster care for adoption and the practice of supporting waiting children. One Church One Child's focus is on the effective grassroots approach of partnering with churches to recruit families and individuals interested in adopting, fostering, or mentoring children in foster care.*

*One Church One Child has a lot to be proud of. We continue to help increase the number of families coming forward and leverage communities in efforts to ensure permanency for children. One Church One Child has signed up additional churches to partner in local communities throughout Florida.*

*One Church One Child also has stepped up efforts to further engage the faith community and encourage partners to add prevention, intervention and promotion of adoption and support for families to their programs.*

*Recognizing the resourcefulness of the churches, One Church One Child continued a series of Education Forums in all six Department of Children and Families regions. The accomplished goal was to educate church leaders on the plight of children waiting in foster care and to engage churches across the state in the promotion of adoption. One Church One Child accomplished this goal by creating display stands and flyers with pictures of children to be placed in the church; encouraging families and individuals to consider adoption, foster care, and mentoring; and referring interested families to One Church One Child.*

*These accomplishments are possible thanks to continued support from churches, individuals, communities, business, foundations and governmental partners. We deeply appreciate your commitment to our work.*

*Sincerely,*

*Beverly Hills Lane*

## *Values*

- *A holistic/faith approach*
- *Respect for the varied dimensions of individuals and families*
- *Recognition of the importance of relationships*
- *Empowerment of those we serve*
- *Partnerships and collaborations in communities*
- *Provision of high-quality, sufficient, consistent, integrated, timely and transparent services*

## 2014-15 Achievements

One Church One Child's (OCOC) legislation and its corporate mission cite the adoption of minority children as its primary goal. To that end, Board Members and staff predominantly reach out to communities through pastors and churches to recruit families to adopt children from foster care. The basic principle of the organization is to "find at least one family per church to adopt at least one child from foster care."

### *Plans for the year included:*

- **Resources** – Resources would be organized by determining regional adoption goals based on the number of children on the Explore Adoption website.
- **Referrals** – Families would be referred to Community-Based Care (CBC) Lead Agencies or other child-placing agencies in Florida for adoptive parent training prior to completion of an adoption home study.
- **Recruitment** - OCOC would recruit churches within regions by presenting OCOC's case for support, explaining procedures and support tools, answering questions, and confirming participation with churches signing a Memorandum of Understanding (MOU).
- **Publicity** – OCOC would help publicize the need for adoptive parents, using flyers, inserts and media kickoffs. Photos of available children with brief information on the children and related information would be shared with local media and with participating churches. OCOC would sponsor major adoption recruitment kickoff events, educating and engaging churches and other community leaders in addressing the crisis of waiting minority children.
- **Results** – OCOC would track and monitor all referrals of families with reports to the Department of Children and Families (DCF) and the Community-Based Care Lead Agencies, in addition to completing a year-end report.

In planning, preparing and implementing the goals for the year, the board members donated countless hours of time and effort, participating in board meetings, subcommittees, workgroups, and small session meetings.

Historically, One Church One Child was first implemented in the State of Illinois when the Secretary of the Illinois Department of Human Services, Greg Coler, and Deputy Secretary Gordon Johnson sought out Father George Clements to help them in addressing the disproportionate number of minority children lingering in foster care. In 1988, Greg Coler became Secretary of the Florida Department of Children and Families and implemented the successful minority adoption recruitment program in Florida. In 1990, the Florida Legislature passed the One Church One Child of Florida Corporation Act (section 409.1755, *Florida Statutes*). This Act mandated OCOC to operationalize as a non-profit corporation with a Board

of Directors appointed by the Governor. The program currently has a 23-member Board of Directors to carry out the intent of the law. Board members serve a minimum three-year term. The current Board was appointed/reappointed August 1, 2013 by Governor Rick Scott, filling 13 of the 23 slots. Each member must serve a term of at least three years. The next board appointments/reappointments are scheduled for July 2015.

### *Summary of the Organization*

One Church One Child operates out of a statewide headquarters located in Tallahassee and has satellite offices in Jacksonville (Northeast Region), Tampa (SunCoast Region) and West Palm Beach (Southeast Region).

The headquarters office includes a full-time Executive Director, Deputy Director, Community Coordinator, Administrative Assistant and volunteers. The Executive Director and Community Coordinator were hired in January 2003; the Deputy Director was hired in October 2007; and the Administrative Assistant was hired in September 2013. The satellite offices in Jacksonville and Tampa include a Recruitment Coordinator at each site. The Jacksonville staff member was hired in October 2013, and the Tampa staff member was hired in September 2010. The West Palm Beach office is staffed by a part-time Volunteer Adoption Recruiter.

OCOC works in partnership with churches, local businesses, agencies and such entities as Daniel Memorial, Chapters of Buffalo Soldiers in Tallahassee, Jacksonville, and Tampa, the Governor's Office on Adoption and Child Protection, local Heart Galleries, Florida A&M University and Florida State University Social Work Programs, the Florida Coalition for Children, Family Support Services of Northeast Florida, Eckerd Community Alternatives, Partnership for Strong Families, OurKids Miami-Dade and Monroe, Children's Network of Southwest Florida, Families First Network, Florida Baptist Children's Home, Children's Home Society and other Community-Based Care Agencies. OCOC continues its partnership with the Department of Children and Families.

OCOC of Florida also works with the national chapter of One Church One Child and the Child Welfare League of America Faith Advisory Committee (CWLA FAC). In partnership with these entities, OCOC has worked on initiatives to help increase the involvement of the faith community in child welfare services.

State Board Members, advisory committee members and staff, in conjunction with members of the community, have been involved in efforts to recruit adoptive and foster families. Volunteers also have worked with the state board members to support local recruitment efforts, and those volunteer hours are captured on OCOC time tracking logs. Statewide statistics show that this year 2,833 volunteer hours were logged by advisory committee

members, university interns and other volunteers, and 1,270 volunteer hours were logged by state board members, for a total year-to-date of 4,103 volunteer hours. The total volunteer hours were valued at \$53,339. Volunteer hours were calculated from the number of hours State Board Members and local Advisory Committee Members donated to One Church One Child through recruitment activities. The total dollar value was calculated by multiplying the total number of volunteer hours by the allowed \$13.00 an hour.

As indicated above, One Church One Child has experienced changes and transitions from a program of the Department of Children and Families to a licensed child placing agency, to a nonprofit adoption recruitment organization. In fulfillment of this role, One Church One Child has implemented an innovative campaign to increase adoption resources and involve more churches in partnering to recruit families interested in adopting, fostering and/or mentoring. This report also highlights the agency's overall accomplishments for state fiscal year 2014-2015.
