SUBJECT: 2020 Foster Parent Cost of Living Allowance Increase

PURPOSE: This memo is to provide guidance to regions and Community-Based Care Lead Agencies (CBCs) regarding the statutorily required foster parent Cost of Living Allowance (COLA), effective January 1, 2020, for Level II-V foster parents. Level I foster parents, pursuant to s. 409.145 (4)(e) F.S., are not eligible for the COLA increase outlined below.

BACKGROUND: During the 2013 legislative session, the Florida Legislature passed s. 409.145(4), F.S., which establishes base room and board rate payments to foster parents and requires foster parents to receive an annual cost of living increase equal to the percentage change in the Consumer Price Index (CPI) for All Urban Consumers, U.S. City Average, All Items, not seasonally adjusted, or successor reports, for the preceding December compared to the prior December as initially reported by the United States Department of Labor, Bureau of Labor Statistics.

Effective January 1, 2020, the room and board rates to foster parents will be adjusted as follows:

Age Range	2019 Room and Board Rate	Room and Board Rate Effective January 1, 2020
Zero to Five (0 – 5)	\$466.65	\$477.38
Six to Twelve (6 – 12)	\$478.60	\$489.61
Thirteen to Twenty-one (13 – 21)	\$560.19	\$573.07

Rule 65C-16.013(8), Florida Administrative Code, outlines that a CBC can negotiate a Maintenance Adoption Subsidy (MAS) up to 100% of the statewide foster care board rate. Based on the 2020 foster parent cost of living allowance increase, a CBC will now be able to approve MAS amounts up to the above mentioned updated statewide foster
