SUBJECT: Continuing Education Training Requirements

PURPOSE: The purpose of this memorandum is to provide guidance on the in-service training requirements for licensed foster parents.

BACKGROUND: Pursuant to section 409.175, Florida Statutes, all licensed caregivers are required to complete continuing education hours prior to their license being renewed. On April 26, 2020, Rule 65C-45.012, Florida Administrative Code (F.A.C.) became effective outlining relicensing requirements for all levels of licensure.

After further review of requirements identified in 65C-45.012, F.A.C.; the department will only require the following continuing hours for re-licensure:

- Level I-Child Specific Foster Homes (1 hour)
- Level II Non-Child Specific Foster Homes (8 hours)
- Level III-Safe Foster Homes for Victims of Human Trafficking (8 hours)
- Levels IV-Therapeutic Foster Homes will continue to adhere to continuing education requirements per The Agency for Health Care Administration and Florida Department of Health.
- Level V- Medical foster Homes will continue to adhere to continuing education requirements per The Agency for Health Care Administration and Florida Department of Health.

This guidance memo will remain in effect until updates are made to 65C-45.012, F.A.C.

ACTION REQUIRED: Please share this memorandum with all appropriate staff in the regions, circuits, Community-Based Care Lead Agencies, and case management organizations.
