

## Benefits of the K-12 Report Card and Reports Solution

- 1) **Solution creates a “Culture Change” by ensuring that a student education dialog occurs** between the Case Manager and Caregivers, educators, GALs, etc. to provide more focus on the student’s Education Well Being.
- 2) **Report Card student education outcomes are based on national research and local experts’ consensus.**
- 3) **Report Cards are easy to understand and use allowing more interested parties to become involved** (e.g. Parents, Caregivers, GALs, Mentors, etc.)
- 4) **Dashboard provides Education Outcome Indicators** for any Student, case Manager, Unit, CMO, CBC, Circuit, etc.
- 5) **Solution promotes stability and improvement in Student education outcomes**
- 6) **Solution improves foster youth education well being and thereby helps to break the long term cycle of abuse** for future generations.
- 7) **Report Card encourages more Caregiver involvement** in the student’s education well being.
- 8) **Report Card is a simple collaboration tool** for schools and child welfare.
- 9) **FSFN Reports (Detail and Due/Overdue) can help Case Managers and others monitor student outcomes and K-12 Report Card submissions.**
- 10) **Dashboard helps “Shine the Light” on things going well for statewide replication.**
- 11) **Solution helps children to “Grow and Thrive”,** and not just assure that they are safe.
- 12) **Solution provides an opportunity for CBC Staff to learn and apply “Green Belt” Six Sigma/ Total Quality Management statistical analysis tools and techniques.**
- 13) **Solution allows Child Welfare an opportunity to begin celebrating successful student achievement for promotions, graduation, improvements in education.**
- 14) **Report Card and Dashboard tools can help the Case Manager make a real positive difference in Student education Outcomes.**
- 15) **Solution should strengthen Child Welfare partnership with local education agencies.**
- 16) **Solution allows Report Card information to be entered from multiple devices and at anytime,** not just during home visits.
- 17) **Dashboard can promote both Individual (i.e. Case Manager) and Team goals** (i.e. Unit, CMO, CBC, etc.) needed to achieve CFSR standards.
