

SCHOOL-AGE CHILD CARE CREDENTIAL

Child Care Standards

[65C-22.001\(6\)](#), and [65C-20.008\(6\)](#), Florida Administrative Code

A child care professional using a school-age child care credential to meet the staff credential requirement, must have one of the following:

Florida Department of Children and Families School-Age Credential Training Program (FCCPC)

The FCCPC School-Age is a department-approved training program that consists of a minimum of 120 hours of early childhood instruction and 480 contact hours with children in a school-age child care setting.

Florida Department of Education School-Age Professional Certificate (SAPC)

The Department of Education also has a school-age training program that, upon graduation can be used to meet the Staff Credential requirement.

- Q.** How will my initial FCCPC or SAPC be reflected on my DCF Child Care Training Transcript?
- A.** Your training provider will submit the information to the Department when you have completed all of the program requirements.

The School-Age Child Care Credentials (FCCPC and SAPC) must be renewed every five years.
